

Extraordinary Investor Announcement

Green Hybrid Habitats is rolling out a new offer for small investors. With a \$5,000 or more investment GHH will give a share subscription of 5,000 of stock certificates that will later turn into 5,000 shares at IPO (initial public offering) as GHH will be going with a public stock offering in a couple of years or sooner (see attached shared subscription). Fill in the amount of investment you desire and return with certified funds made out to Green Hybrid Habitats. For payout information please see our investment chart. Small investments will pay 4.9% and large investments pay 6.9%

"I will give abundantly and joyfully, recognizing that God is the owner of all things I currently steward". Thom S. Rainier

"There is joy in giving. Be still and see God work". Colie Dooley

Our pay-it-forward policy on small investment will differentiate from our main pay-it-forward policy. Upon request of your smaller purchase of 5,000 shares, GHH will donate 20 % to your favorite charity or place of worship and provide a receipt.

During this terrible time of COVID19, we suggest making a charitable donation to <https://www.samaritanspurse.org/>. As our nation is in crisis, pray continually for a vaccine for every person. Thank God.

Sincerely,

Colie Dooley

Small Investment Share Subscription

Contract Details:

- Used when new shares are issued by a corporation and sold to purchase, also as a subscriber. The subscriber executes this document and it is then retained in the corporation's records.
- Saves time and reduces legal fees, while still resulting in a comprehensive Share Subscription
